

Do you have a busy
schedule?

Forget Me Not

- ❖ A location-based reminders app
- ❖ Customizable reminders and alarms

Why will this help?

- ❖ Location can be more consistent than time in a schedule
- ❖ Eg. Medication, laundry, car maintenance, work reminders, etc.

Who will use it?

- ❖ Anyone can use it for any purpose!
- ❖ Irregular schedules
- ❖ Bad memory

“Forget Me Not”?

- ❖ The flower adds a calm and organized touch resembling the app's personality
- ❖ Gives way to the purpose of the app
